Educators ICT Conference 2023

Emerging Technologies in Education: the future of teaching and learning

Call for Sponsorship

29 - 31 March, 2023

**Management Training Bureau - MTB, Msasa
Harare, Zimbabwe**

www.ictaz.org.zw

Dear Sir/Madam

The **Information and Communication Technology Association of Zimbabwe (ICTAZ)**, **Chinhoyi University of Technology (CUT) Academy of Teaching and Learning** and the **University of Zimbabwe Faculty of Computer Engineering Informatics and Communications** and **Faculty of Education** will be jointly hosting the 5th edition of the Educators ICT Conference (eICTc), focusing on Emerging Technologies in Education: the future of teaching and learning on March 29 - 31, 2023 at Management Training Bureau - MTB, Msasa in Harare.

Educators ICT Conference, is an annual conference that brings together Educators and an array of ICT stakeholders in the education sector internationally, with the aim of reflecting on how to empower educators with the correct mix of technology skills/competencies needed to architect, deploy, build and manage technology tools to improve the quality of teaching and learning, within a country's socio-economic context. This year's edition of the Educators ICT Conference is going to offer educators a unique opportunity to deepen their digital knowledge and capture the value of ICT trends and services in education. The conference will also inform policy makers and planners on key issues that can contribute to the development of a firm future-proof teacher and pedagogical training policy that can restore confidence in the Zimbabwean educational sectors.

ICTAZ along with the Academy of Teaching and Learning is issuing this Call for Sponsorship to both individuals and organizations committed to ensure inclusive and quality education for all in Zimbabwe to support the event. For more information about the sponsorship opportunities, I kindly refer you to the attached packages. I look forward to personally thanking you for your support at the Chinhoyi University of Technology reception dinner raising a glass to toast the official opening of Educators ICT Conference in Zimbabwe.

For more information don't hesitate to contact us.

Hoping,

Hasha S. Maringe
Co-Chairperson

Educators ICT Conference 2023 Joint Planning Committee
