HARARE, ZIMBABWE, 29-31 MARCH 2023**

Dear Sir/Madam

On behalf of the Joint Planning Committee (JOC) of the Educators ICT Conference 2023, I would like to invite your Institution to join the Educators family in Zimbabwe as we hold our annual educators ICT conference (eICTc) on 29 – 31 March 2023, at Management Training Bureau - MTB, Harare, Zimbabwe. This year's edition will be jointly hosted with Chinhoyi University of Technology (CUT) Academy of Teaching and Learning and the University of Zimbabwe (UZ) Faculty of Education and Faculty Computer Engineering Informatics and Communications under the theme; *“Emerging Technologies in Education: the future of teaching and learning”*

Educators ICT Conference, is an annual conference that brings together educators and an array of ICT stakeholders in the education sector internationally, with the aim of reflecting on how to empower educators with the correct mix of technology skills/competencies needed to architect, deploy, build and manage technology tools to improve the quality of teaching and learning, within a country's socio-economic context.

Educators ICT Conference 2023 is going to offer educators a unique opportunity to deepen their digital knowledge and capture the value of ICT trends and services in education to ***ensure inclusive and equitable quality education and promote lifelong learning opportunities for all***. Delegates will explore the impact of emerging technologies in education – through presentations, discussions and exhibitions of the latest and leading trends, innovations and ICT solutions. The conference will also inform policy makers and planners on key issues that can contribute to the development of a firm future-proof teacher and pedagogical training framework that can restore confidence in the Zimbabwean educational sectors.

If you wish to participate in this conference, please pay the registration fee and complete the online registration form <https://form.myjotform.com> or visit our website: [www.ictaz.org.zw](http://www.ictaz.org.zw) However, participants will have to cover their travel, accommodation and related costs in Harare, Zimbabwe.

Additional information about this Conference, including the Call for Sponsorship, Call for Papers, Agenda and an Information Note for participants can be found on the ICTAZ website.
